

FOR IMMEDIATE RELEASE***IntegrYS Energy Services Adds Natural Gas Solutions to Commercial & Industrial Offerings in DC, Maryland, Virginia***

ARLINGTON – February 9, 2012 – IntegrYS Energy Services, a subsidiary of Fortune 500® IntegrYS Energy Group, Inc. (NYSE: TEG), today announced the expansion of its energy supply services within Washington DC, Maryland and Virginia to include natural gas for commercial and industrial customers. IntegrYS Energy Services is currently one of the leading local suppliers of commercial, industrial, and residential natural gas and electricity because of price competitiveness, commitment to customer relationships, and national reputation.

IntegrYS Energy Services will serve customers behind two regional utilities: Baltimore Gas & Electric and Washington Gas. Customers looking to ensure they get the most out of every dollar they spend on energy will now have a new choice in the marketplace. By understanding our customers' needs and offering creative competitive solutions, IntegrYS Energy Services distinguishes itself from its competition and builds upon its existing outstanding reputation.

“IntegrYS Energy Services has consistently provided customers throughout the country with leading cost-effective procurement options and superior customer service. As the energy markets remain dynamic, we are dedicated to providing a variety of solutions to manage natural gas costs,” said Bob Barron, Managing Director, Mid-Atlantic Gas. “Entering the natural gas market in this region is a natural move for IntegrYS Energy Services and complements our existing electricity business. We already have a local presence and have been serving customers for over five years with a seasoned group of energy experts. We are excited to announce the expansion of our product offerings to our loyal customers in this region.”
